

Shimmer and Splash

<p><u>Shimmer and Splash</u> by Jim Arnosky</p>	<p>Publisher: Sterling Children's Books, New York. 2013</p>	<p>Curriculum Connections: Coral reef, sea life, author study Features: Bold print, labels, diagrams, glossary, bibliography, where to learn more, collage.</p>
---	---	---

This is an oversize beautifully illustrated book that highlights some of the marine animals the author encountered on his travels. It will spike interest to read more about the animals within.

Following are suggested resources for text-sets targeting the possible curriculum connections above.

Books:				
Author	Title/Publisher	Grade Levels	Comments	Publisher/ Publication Date
