

One Proud Penny

By Randy Siegel

1. Circle the year that this penny was created.
2. Draw a triangle around the letter that tells where the penny was minted.
3. What word appears near Abraham Lincoln's back?

---

4. Put a box around the Latin phrase that means "Out of many, one."
5. On the tails-side of the penny, find and circle the initials of the sculptor/engraver Frank Gasparro, who created designs of many of our coins.
