## *A Farewell Note from our WALE Chair... Theresa Barnaby*

As I write this, we have just a few weeks until the WALE Conference in Chelan, and the last minute jitters are making themselves known. There is always a worry that people won't want to come to our party, but the numbers look excellent, and thanks to the absolutely amazing conference committee this year, we have lots of incredible programs for you to attend.

This conference marks the end of my commitment as WALE chair, and it has been an interesting two years. I have been pushed beyond my comfort zone in many ways, and am so much the better for it. I have also made life-long friends, learned so much more about my profession, and gained contacts that have helped me out in many situations. I cannot stress enough how important it is for us to be active in WLA and WALE.

As I have stated before, an organization is only as strong as the people who support it. There is so much more to WLA membership besides cheaper conference rates. So don't be afraid to get involved. Start by joining a committee, working on a conference, or just being a volunteer. Knowing what you are doing is not needed, and sometimes can be a hindrance. Some of the best ideas come from people who don't know how something is supposed to be done, and figure out a better way.

Thank you all for your support, and I look forward to seeing you in just a few weeks at the 2013 WALE Conference.

***Sincerely, and with  
much gratitude,***

***Theresa Barnaby***

What belonging to WLA/WALE mean to me...

Just as libraries make a difference and enrich the lives of our customers, WLA/WALE makes a difference to all those who work in libraries. WLA/WALE provide education and support that help all of us better serve our customers, and enrich our lives at the same time.

My favorite part of attending library conferences..

I love networking with other WALE members; the opportunity to learn and grow is invaluable. I always come away with great ideas to use at my library, learn about the newest technologies and trends, discover great things and make new friends. It's fun to return to WALE to see familiar faces and meet new friends too - hope to see you there!

Peggy and her husband Pete celebrating 40 years of marriage...on a recent Alaskan cruise.

Enjoy the River Walk and participate in the City of Chelan Bingo Walk—Tues., Oct. 29, from 5-6:30 p.m.
