Summer Alki Call for Submissions

It's time to submit article ideas for the next issue of Alki! The theme for Summer 2018 is “What Nobody Ever Tells You About Working in Libraries.” Did you learn more on your first day of work than in two years of your MLIS program? Do you still have to educate friends and family on what modern libraries are all about? As a page (or specialist or associate) do you have a bird's-eye view of what we're doing well -- or not?

And to take a deeper dive, what do the things you've learned behind the scenes say about libraries moving forward?

Please send your article idea(s) to alkieditor@wla.org and include:

- Your name and position/library
- Description of the article
- Suggested title
- Estimated length (in pages); each page = 750 words (or fewer with graphics)
- Intent to include graphics (photo, logo, other)
- Contact information

Deadline for articles is Monday, June 4. Article ideas that fall outside of the theme are also encouraged!
