#LibrarySnapshot

Washington Library Snapshot Day

Join the Washington Library Association and the Washington State Library in celebrating **Library Snapshot, April 19-25**, a full week of advocacy for our libraries, archives, and special collections across the state!

#LibrarySnapshot is a "day in the life" at your library or repository. A chance to show off your programs, collections, and spaces. This is also an opportunity to—with their permission—share your staff and patrons' stories. With many libraries across Washington closing their doors to deter the spread of COVID-19, Library Snapshot Day will be more important than ever to show off the work that library staff do out of the library.
