ArtsWA Seeks Library Input for Arts Programming Initiative

The [**Washington State Arts Commission**](#) (ArtsWA) is launching a new initiative "Communities of Care" to support, enhance, and strengthen arts programming for older adults across the state.

As a preliminary step in the initiative's development, ArtsWA is compiling a list of organizations and teaching artists that are currently providing arts services to older adults in Washington State. ArtsWA is specifically looking for organizations and arts teachers, dance instructors, musicians, and other performers who have provided arts programming to older adults outside of the Seattle area.

Does your library offer arts programming specifically for older adults (ages 55+)? If so, please consider sharing the types of programming your library provides, the organization(s) or individual(s) you partner with, and any questions or thoughts about the initiative you have.

Contact Jen Kulik ([**jen@silverkite.us**](mailto:jen@silverkite.us)) with your response. [**SilverKite**](#) is a contractor on the project and partners regularly with library systems around the state to provide arts programming for older adults.

Survey Closes Nov. 1: "What Kind of 'CRAAP' Do They Teach in High School?"

Consider participating in the following information literacy practices survey before it closes Nov 1.

The survey organizers hope to identify what types of source evaluation (CRAAP, SIFT, lateral reading, etc.) are being taught in Washington middle schools and high schools. The results of this survey will allow them to determine how best to incorporate source evaluation and information literacy practices into our work, and create continuity in learning for our students.

[**Take the survey here**](#). The survey will take approximately 15 minutes to complete, and the results will be analyzed and shared as a final report.

If you have questions or wish to follow up with us on this project, please contact Elena Maans-Lorincz at [**e.maans@bellevuecollege.edu**](mailto:e.maans@bellevuecollege.edu).
