Resonance: Libraries Out Loud & On Purpose

Postconference Workshop Spotlight

Resonance: Libraries Out Loud & On Purpose
Sunday, Mar. 3 | 8:30 am- 12:30 pm

The single most important story both librarians and library systems must tell today is The Vision Narrative: your worthy purpose, vision, and thought leadership. (Just take a look at Mychal Threats, unofficial publicist of libraries!) In this fast-paced workshop filled with fun exercises, you will learn how to connect with your constituents. How to inspire them with your compelling vision for the future of libraries. And how to impart urgency in this moment with effective storytelling techniques so you, too, deliver the shiver with impact and joy.

- **Justina Chen**, Author, *North of Beautiful*

If you have any questions, please contact the WLA Office at info@wla.org or (206) 823-1138. We hope to see you in Spokane!

Alki wants to hear from YOU!

ongoing #SupportWALibraries fundraising, which assists with WLA scholarships, member services, and more. **Call for Papers: *The Library is a Growing Organism***

Alki's Spring issue submission window is open!

If you have any questions, please reach out to the WLA Office at info@wla.org.

Thank you for your support of WA State library professionals and students! Almost all librarians are familiar with the Five Rules of Library Science: Books are for use, every book its reader, every reader their book, save the reader time, and *The Library is a Growing Organism*. Let's start the year off talking about that last rule. Our libraries grow and change over time, whether due to changing patron bases, new technologies, or new needs in our communities. Alki wants to know

all the ways in which your library is alive. Refer to the following ideas and questions as you write your article:

- How has your library grown or evolved?
- How have you grown your patron base? Tell us stories!
- How has working in a library helped you develop as a professional and as a person?
- How do you nourish, sustain, and tend to your organization as the cultures around and within it change?
- If you work in an institutional library, tell us how your library has provided fertile ground for personal growth in your patrons?

Creative pieces, art, and photos are always encouraged.

Sign up for your spot today by emailing your name, a working title of your proposed piece, your bio, and a headshot to alkieditor@wla.org.

Do you have an article ready? Email your submissions as a .doc, .docx, or Google Doc to alkieditor@wla.org **before Tuesday, Feb. 6**. For inspiration, [check out past issues of Alki](#). Before submitting a piece, please visit alki.pubpub.org/guidelines for submission requirements.
